HASKETON PARISH COUNCIL

INTERNAL CONTROL STATEMENT FOR PERIOD 17TH MARCH 2021 TO YEAR ENDING 31 MARCH 2022

1. SCOPE OF RESPONSIBILITY

Hasketon Parish Council is responsible for ensuring that its business is conducted in accordance with the law and proper standards, and that public money is safeguarded and properly accounted for, and used economically, efficiently and effectively.

The council is responsible for ensuring that there is a sound system of internal control which facilitates the effective exercise of the Council's functions and which includes arrangements for the management of risk.

2. THE PURPOSE OF THE SYSTEM OF INTERNAL CONTROL

The system of internal control is designed to manage risk to a reasonable level rather than to eliminate all risk of failure to achieve policies, aims and objectives; it can, therefore, only provide reasonable and not absolute assurance of effectiveness. The system of internal control is based on an on-going process designed to identify and prioritise the risks to the achievement of the Council's policies, aims and objectives, to evaluate the likelihood of those risks being realised and the impact should they be realised, and to manage them efficiently, effectively and economically.

A Councillor* is appointed to have responsibility for bank reconciliation checks and initials the accounts summaries and reports to the Council he has checked the accounts summary at each bi-monthly Council meeting.

The full council meets six times each year and monitors progress against its aims and objectives at each meeting by receiving relevant reports from the parish clerk/RFO.

The council carries out regular reviews of its internal controls, systems and procedures. See attached Report, which is undertaken by the appointed Councillor*

The Clerk also provides advice to help the Council ensure that its procedures, control systems and policies are adhered to.

The signatories should consider each payment against the relevant invoice, sign the invoice and initial the cheque counterfoil. All authorised cheque signatories are members of the Council. All income is received and banked in the council's name in a timely manner and reported to the council.

4. REVIEW OF EFFECTIVENESS

INTERNAL CONTROL REPORT

The Accounts & Audit (England) Regulations 2015 aims to strengthen governance and accountability through requirements related to internal control and internal audit.

Whilst the Parish Council has reviewed the effectiveness of the internal audit (independence, competence, proportionate and scope), it has a requirement levied on it to ensure that its financial management is adequate and effective and that it has a sound system of internal control: -

'The regulations require active participation by members in providing positive assurance to the electors of their stewardship of public money. The framework of accountability is risk-based i.e. level of control and management must be appropriate to the risk involved. The Council must determine the most appropriate method of internal control.... care should be taken to ensure that internal control tests are proportionate and relevant and that they are neither seen as, nor intended as, undue interference in the RFO's day to day management of financial affairs.'

As part of its internal control, the Hasketon Parish Council has appointed a non-signatory Councillor* to conduct a review of the system of internal control via the following tests on a bi-annual basis with a written report of any findings to be submitted to the Council and minuted as received.
