The Council resolved to recommend approval of the application with the observation that the variation appeared to be less definitive than the original consent regarding the siting of Barn Owl nesting boxes and Council expressed the view that a more precise explanation of the siting of the boxes should be required.

The Council resolved to recommend approval of the application with the observation that the design of the Lodge and proximity to the existing adjacent building could be detrimental to the visual amenity of that building and the surrounding area.

Proposed Cllr S. Batley  
Seconded Cllr I Whyte
